**Determination Of Kennel; License Required:** The owner of any three (3) dogs or more, regardless of age, shall be deemed the operator of a dog kennel. It shall be unlawful to keep, maintain or possess upon the premises of any one household more than two (2) dogs unless the owner or person in charge thereof shall have obtained a kennel license. Provided further, that in the event the number of dogs upon the premises of any one household exceeds the number of two (2) dogs for the reason that newborn puppies have been born to a dog living on said premises, then and in that event, it shall be lawful to keep, maintain and possess upon said premises, said puppies until they reach the age of three (3) months without obtaining a kennel license.

**Application For License:**

- a. The application for kennel license shall state the name and address of the owner of said kennel, the location where the kennel is to be kept and the number of dogs proposed to be kept. (Ord. 432, 9-11-2007)
- b. City council will make a decision on the issuing of a license after receiving response from notices sent to owners of property within three hundred feet (300') of the premises upon which the kennel is to be maintained.
